ITSD Service Catalog

Service Catalog

The ITSD Service Catalog is designed to define and categorize our service offerings. The goal is to provide you the ability to identify the services that will support you in meeting your mission and to enhance your understanding of what each service provides. Every service is described in the same format and with similar types of information to facilitate ease of use.

Thank you for visiting the ITSD Service Catalog. If you would like more information about a service or if you would like to request a service, please contact the ITSD Service Desk at (406) 444-2000 Or 1-800-628-4917.

If you would like to share information with us about your experience on the site or your ideas for improvement, please email ITSD Services Management.

Thank you!

New Services

Web Content Management

Sharp Content provides a simple and intuitive web content management tool that is easy to use and works with the State of Montana standards-based design principles. Content managers may publish and manage static web pages, documents, images, and more.
